West Hill Golf Club

This is your opportunity to play West Hill, which is truly one of Surrey's oldest gems.

It is a heathland course, designed in 1907, lined with towering Scots pines and featuring the brook of Brookwood which meanders its way through the course.

In late spring, the course is ablaze with the colour of rhododendrons in full bloom and in late summer, the flowering heather becomes a sea of purple, which requires carrying from every tee.
